Thank you for your interest in submitting a Committee Session for the 2020 NATA Clinical Symposia & AT Expo. We welcome your submission!

In submitting a Committee Session proposal, please understand it will be reviewed with the same rigor and held to the same selection standards as all member-submitted proposals. As such, be aware that you (your NATA Committee/Council) may be asked to modify the submission. The purpose of the Convention Program Committee (CPC) Abstract Proposal Review is solely to ensure the integrity of the educational program at the Convention. The CPC review process involves three tiers: 1) a blind review by 10-15 peer athletic trainers, 2) an objective review by each member of the Convention Program Committee, and 3) open committee discussion by the Convention Program Committee.
