

GUIDELINES FOR PROPOSAL SUBMISSION

FORUMS

2020 Clinical Symposia & AT Expo
June 17 – June 20, 2020 · Atlanta, GA

Thank you for your interest in submitting a Forum proposal for the 2020 NATA Clinical Symposia & AT Expo. We welcome your submission!

We typically receive over 200 proposal submissions each year, well over what we can accommodate in the program. To ensure the integrity and balance of the educational program, each proposal undergoes a rigorous review process, resulting in an acceptance rate from those submissions of approximately 20% plus. The CPC review process involves three tiers: 1) a blind review by 10-15 peer athletic trainers, 2) an objective review by each member of the Convention Program Committee, and 3) open committee discussion by the Convention Program Committee.

Format & Audience

- Forums are 55 minutes in length and led by a panel of discussants and moderator.
 - The first 10 minutes are led by panel discussants that provide an overview on a current topic and pose stimulating questions to the audience.
 - The last 45 minutes are reserved for a structured panel-audience discussion.
 - Following the session, the panel and other experts may be available for an additional 55 minutes of networking and discussion.
- Forums accommodate between 100-150 athletic trainers, students.
- Eligible registrants may attend an unlimited number of Forums.

Important Guidelines

- The purpose of Forums is to stimulate discussion between researchers and clinicians on a current topic.
- **Proposals must discuss a topic under one of these broad/general categories: ankle and foot, knee, shoulder, head and spine or concussions, heat or hydration, modalities, and education.**
- Best Practices Forums are comprised of two panel discussants and one moderator.
 - Discussants & moderator must be familiar with the topic from both a scientific and clinical viewpoint.
- Best Practices Forums must avoid any affiliation with a commercial product or service.
- Best Practices Forums will be scheduled over all three days of the Convention.
 - **Speakers must be available for scheduling on any of the three days of programming.**
- We encourage you to submit a proposal that may fall under one of the 2020 NATA Clinical Symposia Themes:
 - Training Load
 - Biometrics/Analytics
 - Motor Learning/Motor Behavior
 - Heat
- Proposals must adhere to the Meeting Honoraria/Expense Policy/Complimentary Registration Policy, as it will be strictly enforced.
- The individual submitting the proposal must have confirmed the presentation with all speakers prior to submission.
- Proposal selection is contingent upon approval by the Convention Program Committee.
- Due to an increase in number of proposal submissions and limitations in size of convention facilities, all proposals will not be selected. In this situation, topics will be selected based on the organization of the program, quality of content and speakers, and significance of the material to the NATA membership.
- After **July 19, 2019** the Convention Program Committee will only approve a speaker change if the original speaker is unable to attend the convention.

Deadline

- Proposals must be submitted no later than **July 19, 2019**.
- Incomplete (e.g., missing speaker CV) and/or late proposals will NOT be accepted.

Compensation Policy for Forums

- For each discussant:
 - NATA Member, Athletic Trainer eligible for NATA membership, or NATA Non-member
 - \$200 honorarium
 - Complimentary symposia registration

Have the following information available as you will need this to complete the proposal submission process.

- Presentation Information
 - Title of session.
 - The domain(s) of athletic training that the presentation pertains to (I, II, III, IV, V).
