

## Meeting Honoraria/Expense Policy/Complimentary Registration – pg. 1

**NATA endeavors to fairly recompense individuals who present (or participate) at the NATA convention and educational meetings. NATA reimburses authorized travel and meal expense according to the NATA Expense Reimbursement Policy.**

### Standard Rules

- If a speaker presents more than once, at a given event, the material that they present for each session must be distinctly different in order to qualify for honoraria for more than one presentation. Otherwise, he/she will be paid an honorarium for the presentation with the highest monetary value.
- Complimentary registration, unless otherwise noted, is for the event referenced and not for other meetings to which the event is attached.
- AT speakers receive CEUs as defined under the BOC recertification requirements.
- Retired certified and honorary members who are speakers receive complimentary registration regardless of any other rules outlined under the learning formats.
- Non-athletic trainers, as addressed throughout this policy, are generally individuals who would not normally attend NATA educational events, but who provide content of value to athletic trainers.
- Moderators, panelists or others who assist with the presentation of an NATA program are eligible for a gift only.

### Convention

FORMAT	LENGTH	# OF SPEAKERS		BENEFIT(S)	
				Athletic Trainers (includes certified, noncertified (ie licensed), retired, student, international, member, nonmember), Exhibitor Personnel, Corporate Partner Representatives:	Non-Athletic Trainers (includes nonmember allied health practitioners, other professionals and physicians, some of whom may be honorary members):
